Please ensure that you have received these notices, and if not, contact the nearest office of the issuing airline or your travel agent to obtain a copy prior to the commencement of your trip.

If your journey involves an ultimate destination or stop in a country other than the country of departure, international treaties, known as the Warsaw Convention and the Montreal Convention, may be applicable. These conventions govern and, in some cases, limit the liability of carriers for death of or personal injury to passengers, and in respect to loss of or damage to baggage.

Any exclusion or limitation of liability in our favour, or in favour of any other carrier on which you may travel, shall apply to and be for the benefit of our agents, employees and representatives.

## Passenger Data

The Passenger recognizes that personal data has been given to the carrier for various purposes including for making a reservation for carriage, obtaining ancillary services, facilitating immigration and entry requirements and other administrative, operational and regulatory aspects of the Passenger's carriage and travel, as well as making available such data to government agencies who may share such personal data with other government agencies or any other third parties which is beyond the control of the carrier. For these purposes the Passenger authorizes the carrier to retain such data and to transmit and disclose it to its own offices and to other companies including other carriers and/or the providers of such services or the relevant government agencies, in whatever country they may be located. The collection, use and disclosure of such data will be in accordance with the carrier's Privacy Policy, a copy of which may be obtained from any of the carrier's offices or from [www.singaporeair.com](http://www.singaporeair.com). However, please note that government regulations in various countries worldwide may require that we provide information on or permit access to Passenger/customer data, which we will do in accordance with the terms of the carrier's Privacy Policy and applicable law.

## Regulatory Notices

### (a) NOTICE REQUIRED BY US DOT 14 CFR 221.105(a) ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATIONS OF LIABILITY

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.

### (b) NOTICE REQUIRED BY EC REGULATION NO. 889/2002 AIR CARRIER LIABILITY FOR PASSENGERS AND THEIR BAGGAGE

This information notice summarises the liability rules applied by SIA as required by Community legislation.

1. The Montreal Convention or the Warsaw Convention may be applicable to your journey and these Conventions govern and may limit the liability of SIA for death or bodily injury for, loss of or damage to baggage, and for delay.
2. Where the Montreal Convention applies, the limits of liability are as follows:
  - 2.1 There are no financial limits for death or bodily injury and SIA may make an advance payment to meet immediate economic needs of the person entitled to claim compensation;
  - 2.2 In the case of destruction, loss of, or damage or delay to baggage, 1,288 SDR (approximately EUR 1,604) and, if the value of your baggage is greater than this limit, you should inform SIA at check-in or ensure that it is fully insured prior to travel; and

2.3 In the case of delay to your journey, 5,346 SDR (approximately EUR 6,657).

3. Where the Warsaw Convention applies, the limits of liability are as follows:

- 3.1 In cases of bodily injury or death of passengers, Carrier will not rely upon any defence, other than the defence of contributory negligence, if proven damages do not exceed 100,000 SDR (approximately EUR 120,000). If and to the extent that proven damages exceed 100,000 SDR, Carrier may also defend the claim if it can prove that it took all necessary measures to avoid the damage or that it was impossible for it to take such measures;
- 3.2 17 SDR (approximately EUR 20) per kg for loss of or damage or delay to checked baggage, and 332 SDR (approximately EUR 400) for unchecked cabin baggage and, if the value of your baggage is greater than this limit, you should inform SIA at check-in or ensure that it is fully insured prior to travel; and
- 3.3 SIA may also be liable for damage occasioned by delay, of up to 16,600 SDR (approximately EUR 20,000) if the Hague Protocol to the Convention applies, or 8,300 SDR (approximately EUR 10,000) if only the Warsaw Convention applies.

Further information may be obtained from SIA's offices as to which Convention and/or liability limits apply to your journey, and if your journey involves carriage by different carriers, you should contact each of them for information on the limits of liability applicable to them.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying a supplementary fee, or by purchasing additional insurance.

If the air carrier actually performing the flight is not the same as the contracting air carrier, you have the right to address a complaint or to make a claim for damages against either. If the name or code of an air carrier is indicated on the Ticket, that air carrier is the contracting air carrier.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.

Disclaimer: This is a notice required by European Community Regulation (EC) No. 889/2002. This notice cannot be used as a basis for a claim for compensation, nor to interpret the provisions of the Regulation or the Montreal Convention, and it does not form part of the contract between SIA and you. No representation is made by SIA as to the accuracy of the contents of this notice.

(c) NOTICE REQUIRED BY US DOT 14 CFR 250.11(a):

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline which are available upon request from the air carrier, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.

(d) NOTICE OF BAGGAGE LIABILITY LIMITATIONS

We shall not be liable for any baggage, which is improperly or inadequately packed.

Except for checked and unchecked baggage transported under the Conventions, we are not liable for loss, damage to or delay in the delivery of fragile or perishable items, money, jewellery, precious metals, silverware, negotiable papers, securities and other valuables, business documents, passports and other identification documents, samples, medicines or drugs which are included in your checked and carry-on baggage, whether with or without our knowledge.

Scratches, nicks or dirt may appear despite care and handling by us. Except as the applicable Convention or other law may otherwise require, we do not assume any liability for normal wear and tear to baggage, which includes damage to or loss of protruding parts of the baggage, including, by way of example, straps, pockets, pull handles, hangar hooks, wheels or other items attached to the baggage.

If your baggage is damaged, delayed or lost, you must make a complaint in writing to us or the carrier on which the damage, delay or loss occurred as soon as possible, and in any event within the applicable time limits (which can be found in our General Conditions of Carriage).
